COMPETITION

BRITAIN'S GRIMIEST TRADESPERSON

SPONSORED BY BIG WIPES

Win a year's supply of Big Wipes 4x4, an off road experience and a cleansing spa day. Not to mention T-shirts for the first 20 entries!

THE SEARCH CONTINUES!

Big Wipes is on a mission to get tough on grime and look after the trade with its 4x4 range of industrial strength wipes. Big Wipes 4x4 contain no fewer than four powerful cleaning agents and four dermatologically tested skin conditioners - making Big Wipes 4x4 cleaning wipes even tougher on grime and even kinder to your hands.

We've already had a fantastic response from professionals who have found themselves caked and covered in grime and need some powerful Big Wipes 4x4 action!

To win this amazing prize, simply send us a pic of you (or a mate) covered in grime on site, your company name and tell us why you're so grimy. Tweet your pic to us @bigwipes, upload it to www.facebook.com/BigWipes or email it to comp@bigwipes.com.

FIRST 20 TO ENTER WIN A BIG WIPES T-SHIRT!

Think you can out-grime these guys?

Send us a picture of yourself caked in it on site, along with your name, a brief line on the job that's got you so dirty to **Twitter @bigwipes**, **www.facebook.com/BigWipes** or email it to **comp@bigwipes.com**.

First 20 get a T-shirt! Don't forget, Big Wipes 4x4 will get you clean first time, every time.

We'll be posting your shots on the official Big Wipes Facebook and Twitter feed. The best entry will - quite literally - clean up! Terms and conditions apply.

Mike Holyoake - Onslow Property Maintenance

"I get filthy stripping down central heating systems, full of black gunge and dirt! Luckily today we're filling out landlord certificates so my hands are clean!"

Archie - T Watkins

"I use Big Wipes to get my hands and forearms clean after I've been rewiring up in lofts. I also used one to get oil out of carpet once, it did the job nicely!"

Thomas - Stevens & Sons

"When I was an apprentice I got caked in dust and grime when I was made to chase out all the walls. Now I get the apprentices to do that for me."

Paul Lyons - Electronics Engineer

"My dirtiest job was working in a recycling and waste management company, where I was responsible for ensuring the UPS (uninterrupted power supply) to the plant. I was subjected to all sorts of filth imaginable!"

THIS MONTH'S GRIMIEST ELECTRICIAN!

Rob - Electrician

"I'm about to change this consumer unit in a garage. It's covered in cobwebs, dirt and grime! Anyway, I need to win the Spa day because I've promised my wife I'd treat her to one for ages!"
