

## PEELAWAY®

The revolutionary poultice paint removal system from Barretline. Peelaway® has been stripping up to 32 coats in one application for over 30 years and is Architecturally specified and makes easy work of removing old lead based paints from many surfaces. Peelaway 7 is the newer version for modern day paints which are water based or the lighter oil based paints which are common today and can remove over 20 layers of paint in one application. peelaway can be found being demonstrated at the Barretline stand 17A at the forthcoming P & D show where free samples & DVD's will be available.

## PAINT PANTHER™

The All New FAST ACTING ready to use paint stripper from Barretline, will strip 6 coats of paint in under 5 minutes.

Paint Panther™ won the GOLD award for performance at the DIY awards last year and can be seen being demonstrated at the Barretline stand 17A at the P&D show in November where free samples will be available (whilst stocks last)

For further information please contact Barretline on 0117 960 0060 or sales@barretline.co.uk

## DRIVING DOWN THE PRICE OF EVERYDAY ESSENTIALS

JOHNSTONE'S Decorating Centres are continuing to provide decorators across the UK with great value following the launch of the Everyday Savers range of decorating essentials.

The selection of products featured comes predominantly from the hugely popular Fat Hog range, which has established itself as one of the UK's leading brands for brushes, rollers, workwear and decorating sundries.

As the name suggests, the Everyday Savers range features a

whole host of products that are integral to the daily workload of decorators, such as rollers, white spirit, caulk, dust sheets, aluminium oxide and a whole lot more. These core products are competitively priced to ensure that decorators can be confident of superb value when buying their everyday essentials from Johnstone's Decorating Centres.

To see the full range head into your local Johnstone's Decorating Centre. You can find your nearest store by visiting [www.paint247.com](http://www.paint247.com)

## BIG WIPES LOOK TO CLEAN UP AT PAINTING AND DECORATING SHOW!

Stand by to be amazed as the Big Wipes team takes on all comers in their battle against DIY and decorating grime at the Painting and Decorating Show (20-21 November 2012 - Ricoh Arena, Coventry).

Head to the packed-out Big Wipes stand and see for yourself the max-power the Big Wipes range has to offer. The Big Wipes team will be showcasing the market-leading range and other must-have add-ons, and you can also witness grimy demos from the star of Big Wipes videos, the dynamic Dirty Dave.

There's also a top competition on stand to win one of five limited edition rugby shirts worth more than £70 each!

Big Wipes cut through anything from heavy grease and oil-based paints to stubborn PU expanding foams and adhesives.

Big Wipes' Managing Director, Nigel Dibbo, said: "The Big Wipes range is spot on for anyone who gets their hands in a mess, from painters and decorators to mechanics, plumbers and builders.

"They do what they're supposed to - with no fuss or mess. So come and see us in action at the show and be wowed by the power of Big Wipes!"

## FLUXAF GREEN THE QUALITY PAINT STRIPPER

DCM FREE - ONE OF THE SAFEST AVAILABLE YEARS OF PROVEN SUCCESS IN EUROPE.

Stripping Paint, Varnish or Wallpaper?

Do you want a stripper that can be brushed, sprayed or rolled on?

### THE FACTS

- Easy to apply no trowel or poultice required
- Very low on VOCs
- Use inside or outside in most conditions
- Unique viscosity and adhesive strength
- Minimum dripping when applied to walls and ceilings
- Works on timber, concrete, stone, metals and marine coatings
- Fantastic ability can even be used below 0°C

### Let the eco-friendly green gel do its work

Simply brush on thicker than the paint you are stripping, Fluxaf Green dissolves the paint and works and works - overnight if required - does not dry out like conventional strippers.

### One application is generally all that's required!

Depending on the type of paint and thickness, Fluxaf Green normally works from half to four hours - leave overnight for best results.

### Give it the time and it will save you time too!

Wash or scrape off the softened paint and you will be pleased with the results!

PLUS FLUXAF GREEN TEXTURED COATING BITUMEN AND FLOOR TILE ADHESIVE REMOVER
