

TOOLS & EQUIPMENT

WARM WEATHER WORKWEAR

Popular for all workers, and particularly for company employee uniforms, the men's polo shirt is, along with a range of work trousers, a key piece in the Dickies clothing range. Available in a host of colours these polos are ideal for embroidered workwear. For women, there is also a ladies polo shirt, which is designed to have a better fit.

SECURIKEY

Specially designed for those who work at height or within an environment where the loss of an item could cause injury or production downtime, Securikey T-REIGN Retractors are ideal for securing work tools or belongings, such as mobile phones or radios, within easy reach. With three different attachment options available, including Karabiner, Velcro or Belt Clip, Retractors can be secured to most types of clothing, work belts or bags, and a quick-disconnect universal end fitting makes it easy to remove tools and belongings.

TRADE READY SOLUTIONS

Trade Ready Solutions, the complete package solution first announced in 2014 by Hitachi Capital Commercial Vehicle solutions, in partnership with Hitachi Power Tools and Bri-Stor Systems, has been updated to include new van models, racking systems and tools with the addition of new vehicle signage. It offers tradespeople the advantageous position of dealing with a single supplier for all their vehicle, tools, racking and signage needs. All funding, maintenance and repair costs of the van and its Trade Ready equipment are covered by one single monthly payment.

WIRELESS CHARGE

With its 'Wireless Charging System', Bosch has become the first supplier in the world to harness the advantages of inductive energy transfer to keep cordless tools power-ready.

For the system's UK launch, Bosch has developed two products: the GAL 1830 W Professional battery charger and the GBA 18 V 2.0 Ah MW-B Professional 18 volt lithium-ion battery. The compact charging kit comes with a mounting frame for convenient attachment to benches or shelves, which serves as a flexible but secure holder for the charger, battery and tool.
